THE UNITED STATES OF AMERICA,

To all to whom these presents shall come, Greeting:

Homestead Certificate No. 978

APPLICATION 1164

Whereas

There has been deposited in the General Land Office of the United States a Certificate of the Register of the Land Office at Salt Lake City, Utah Territory, whereby it appears that, pursuant to the Act of Congress approved 20th May, 1862, "To secure Homesteads to actual Settlers on the Public Domain," and the acts supplemental thereto, the claim of Harvey M. Rawlins Senior has been established and duly consummated, in conformity to law, for the South West quarter of Section nine, in Township fourteen North, of Range one East, in the District of Lands Subject to sale at Salt Lake City, Utah Territory, containing one hundred and sixty acres

according to the Official Plat of the Survey of the said Land, returned to the General Land Office by the Surveyor General:

Now know ye, That there is, therefore, granted by the United States unto the said Harvey M. Rawlins Senior the tract of Land above described: To have and to hold the said tract of Land, with the appurtenances thereof, unto the said Harvey M. Rawlins Senior and to his heirs and assigns forever; subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local customs, laws, and decisions of courts, and also subject to the right of the proprietor of a vein or lode to extract and remove his ore therefrom, should the same be found to penetrate or intersect the premises hereby granted, as provided by law.

In testimony whereof, J. Rutherford B. Hayes, President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed.

Given under my hand, at the City of Washington, the sixth day of August, in the year of our Lord one thousand eight hundred and seventy eight, and of the Independence of the United States the one hundred and third

BY THE PRESIDENT:

R. B. Hayes

built a short distance east of the first school house on the Big Cottonwood, part of the material used for the former building being utilized again. Later, another school house known as the Scott school house, 20 x 30 feet, exclusive of a vestry, was built near the northern limits of the Ward. The present ward house was erected in 1868.

At the time of the general move in April and May, 1838, the Mill Creek Saints settled temporarily at Spanish Fork. A few, also, stopped at Springville, Goshen and other places in Utah County. Nearly all returned in July following.

Shortly after the move, James Gordon opened a distillery and commenced to manufacture whiskey on the State Road. This served as a temptation for the young to become intemperate. For refusing to cease that obnoxious business, Mr. Gordon was excommunicated from the Church, April 10, 1839.

April 8, 1849, Joel H. Johnson was ordained the first Bishop of the Mill Creek Ward. His Counselors were Reuben Miller and James Rawlins. At the General Conference of the Church, held in G. S. L. City, in April, 1851, Reuben Miller was voted to be the Bishop of the Ward. He was ordained shortly afterwards. He chose as Counselors James Rawlins and a brother Hotchkisson. Counselor Hotchkisson, went to California in 1851, and Alexander Hill was chosen second Counselor in his stead. Elder Rawlins was discontinued as Counselor in 1852 or 1853, when Alexander Hill became first Counselor, and Alva Keller was chosen to act as second Counselor. Alva Keller was dropped in 1856, and John A. Smith was chosen in his stead. During the absence of Alexander Hill on a four-months' mission to Salmon River, Robert Gardner acted as Counselor *pro tem.* in his stead. John A. Smith removed to Tooele County in 1859, and Washington Lemmon was chosen as second Counselor in his stead. This Bishopric (Miller, Hill and Lemmon) stood intact for twenty-three years, no change being made, at the time of the general reorganization in 1877, except that the Ward was slightly diminished in size by the organization of new Wards.

Bishop Reuben Miller died in July, 1882, beloved and honored by the people, over whom he had presided so many years. After his death, Counselor Hill had temporary charge of the Ward until Sunday, March 30, 1884, when Pres. Jos. F. Smith, Apostle Brigham Young, and Prests. Angus M. Cannon and Joseph E. Taylor and others met with the Saints of Mill Creek for the pur-

Dear Julia:

I am running hard to get this to you in time for the reunion. I am sorry I will not be able to make it this year. I had several surprises come in the way of work. There is a seminar at BYU and another one in St. Louis that I have been assigned to attend. My daughter arrives home on leave from the Marine Corp on the Saturday of the reunion. She will be here only a short period, and I will only get to see her for a limited time. The seminars interfere with most of days she will be here. Unfortunately, I have no choice about the seminars. They were simply sprung on me, and messed up my whole schedule for the end of July and first part of August.

I have pretty well finished the research on James Rawlins' other wives, and I feel I have it pretty well figured out. He married **Jane Sharp** in Harrison County, Indiana March 19, 1816. He was sealed to her on the 16th of May, 1856. On the 14th of April, 1856, just a month earlier, James was sealed to **Jane's sister Elizabeth**, who was deceased. Jane stood proxy for her deceased sister.

On this same day, 14 April, 1856, **Harriet Wheat** was sealed to her late husband, James Wheat, for time and all eternity. A month later on the 16th of May, 1856, she was married to James Rawlins for time only. I have enclosed three TIB cards reflecting Harriet (Hunt) Wheat's endowment and her marriage to James Rawlins. The original entry when she was endowed in the Endowment House gives her name as Harriet Rawlins. Since the Endowment took place on the same day as her marriage to James Rawlins 16 May, 1856, she was listed as Harriet Rawlins. In preparing the TIB Card for this endowment event, they gave her name as **Harriet Hunt** with (Rawlins) listed next to her name. Hunt was typed on the card because that was her maiden name and was derived from her father's name as she gave it in the record. TIB cards were ordered by the woman's maiden name for easier searching of the file. When she was married to James Rawlins, the original record gives her name as Harriet Wheat, reflecting her first married name. I have enclosed a family group sheet for James Rawlins and Harriet Hunt. This will reflect their association with each other.

Rachel Hammit married Joseph Keller first, and he died in 1855. She was sealed to him for time and eternity, 1 July, 1855 in the President's Office. She was married to James Rawlins in the Endowment House 26 April, 1866. I gather that Rachel died sometime between 1870 and 1880. She was in the 1870 census with James Rawlins, but not the 1880 census.

There are no other wives for James Rawlins. As far as I can tell, he married both of these women for time only. They were both sealed to their first husband for time and eternity. You will see how this works on the enclosed family group sheets.

I did do some work on the Van Dyke line as well, but as I explained on the phone, the agent in New Jersey could not meet our deadlines, so I am back to looking for another agent to work on this line in New Jersey. I am in hopes that the will of Nicholas Van Dyke can be found. If it is I believe we will get the answer we need on whether Nicholas' daughter Elizabeth is the one who married our James Frost. I will pursue this further later this summer, once I can find a suitable agent.

In all I spent a couple of days researching these things. Send me \$200, and let's leave the rest in the account for the agent when he does his work. I will look forward to hearing how the reunion went.

Sincerely,

Bert J Rawlins

PIONEER WOMAN CALLED TO HER REST

Mrs. Cunningham, Who Came to
Utah in 1848.

RESIDENT OF THIS CITY

WAS AN AUNT OF SENATOR
RAWLINS.

From Sunday's Daily.

Word was received in this city yesterday of the death in Lewiston, Cache county yesterday morning, of Mrs. Lucinda Rawlins Cunningham, one of the early settlers in this state, and a pioneer of 1848.

Mrs. Cunningham was born in Crawford county, Indiana, March 12, 1819, and was the daughter of James Rawlins, late of Mill Creek, this county, and Jane Sharp. She embraced the Mormon faith in her early girlhood, and was married to the late Bishop Cunningham of the Fifteenth ward of this city, in Illinois in the early '40's.

In company with her husband and four small children she braved the dangers and toils attendant upon a "trip across the plains" and entered the Salt Lake valley in the spring of 1848. She resided in the Fifteenth ward, where her husband had been appointed

bishop, a number of years, her husband dying in 1868. In 1872 she moved to Draper, where she remained a short time, and then removed to Lewiston, Cache county, with three children. She was the second settler in that place and has lived there continuously since to the time of her death.

Mrs. Cunningham, up to a week ago, seemed to enjoy the best of health for a woman of her advanced age—82 years last March, and a week ago yesterday attended the quarterly stake conference at Richmond, about six miles from Lewiston. Returning home that evening she was taken ill during the night, the doctor pronouncing her illness to be pleurisy. All pain seemed to leave her within a short time, and a gradual decline, superinduced by heart failure, set in, which ended in her death yesterday morning.

She had nine children, of whom five survive: James A. Cunningham, the mining operator, and Mrs. J. W. Ute of this city, Hyrum Cunningham of Loda, Idaho, and Joseph Cunningham and Mrs. John Weiser of Lewiston.

She leaves also forty-three grandchildren and six great grandchildren. The late Joseph S. Rawlins of Cottonwood was her brother and she was an aunt of Senator J. L. Rawlins.

The body will reach here tonight on the 6:55 Oregon Short Line train, the funeral services to be held tomorrow morning at 10 o'clock in the Fifteenth ward meeting house.

built a short distance east of the first school house on the Big Cottonwood, part of the material used for the former building being utilized again. Later, another school house known as the Scott school house, 20 x 30 feet, exclusive of a vestry, was built near the northern limits of the Ward. The present ward house was erected in 1868.

At the time of the general move in April and May, 1858, the Mill Creek Saints settled temporarily at Spanish Fork. A few, also, stopped at Springville, Goshen and other places in Utah County. Nearly all returned in July following.

Shortly after the move, James Gordon opened a distillery and commenced to manufacture whiskey on the State Road. This served as a temptation for the young to become intemperate. For refusing to cease that obnoxious business, Mr. Gordon was excommunicated from the Church, April 10, 1859.

April 8, 1849, Joel H. Johnson was ordained the first Bishop of the Mill Creek Ward. His Counselors were Reuben Miller and James Rawlins. At the General Conference of the Church, held in G. S. L. City, in April, 1851, Reuben Miller was voted to be the Bishop of the Ward. He was ordained shortly afterwards. He chose as Counselors James Rawlins and a brother Hotchkisson. Counselor Hotchkisson, went to California in 1851, and Alexander Hill was chosen second Counselor in his stead. Elder Rawlins was discontinued as Counselor in 1852 or 1853, when Alexander Hill became first Counselor, and Alva Keller was chosen to act as second Counselor. Alva Keller was dropped in 1856, and John A. Smith was chosen in his stead. During the absence of Alexander Hill on a four-months' mission to Salmon River, Robert Gardner acted as Counselor *pro tem.* in his stead. John A. Smith removed to Tooele County in 1859, and Washington Lemmon was chosen as second Counselor in his stead. This Bishopric (Miller, Hill and Lemmon) stood intact for twenty-three years, no change being made, at the time of the general reorganization in 1877, except that the Ward was slightly diminished in size by the organization of new Wards.

Bishop Reuben Miller died in July, 1882, beloved and honored by the people, over whom he had presided so many years. After his death, Counselor Hill had temporary charge of the Ward until Sunday, March 30, 1884, when Pres. Jos. F. Smith, Apostle Brigham Young, and Prests. Angus M. Cannon and Joseph E. Taylor and others met with the Saints of Mill Creek for the pur-
